'Summer in the Forest'

Is the title of a film to be shown at Crouch End Picture house on Tuesday 18th July at 8.30 pm. (There will be time to get there after the 7.30 Mass at Holy Trinity).

The film is about the remarkable man Jean Vanier, and the L'arche communities he founded where people with learning disabilities and those without live together. We hope to have a small group for our churches see this film together, and there will be a Q and A session with the director. The film is being shown for one night only on 18th, and tickets will cost about £12 to £13 each.
