### Reaching out

Something at the heart of our parish life is engaging with the community around us. Through our Food Bank and out involvement with the winter night shelter at Holy Innocents we seek to serve some of the less fortunate people in our society locally, and our toddler group and Thursdays Together lunch club are there to provide meeting points for people who might feel more isolated. As we know, these days it is very easy to feel a sense of detachment and isolation especially in a crowded city like our own.

Being part of a community is important for most people, and it is particularly appropriate that a church dedicated to the Holy Trinity plays a part in building community. The central Christian belief in the Trinity is that the one God exists as a 'community' of three persons, Father, Son and Holy Spirit, bound together by relationships of love. These relationships of love reach out to us, God's creation, and invite us as human beings to share his divine life. Thus we are called to reach out to others and invite them to share in the life the 'community' of love which is God's church. By reaching out to the community and inviting people in, we are reflecting the life of the Trinity - the dedication of our Church and parish.

### Pilgrim Course

### Corpus Christi Procession
