Seeking to know and serve God and our local community

Graham our new Pastoral Assistant writes....

'Hello I am Graham Hains, and I have been appointed as the new Pastoral assistant at Holy Trinity, Stroud Green.

I am a little older than most pastoral assistants who have been my predecessors, but I am experienced in working in a parish environment. I have spent a fair while working along-side the youth and talking with them about what a life with God in it could be like, and I hope that this skill could encourage a new stream of young Christians in our church. When not in the parish, I like nothing more than visiting my family in Surrey and being reunited with the dogs scruffy and Sunny who I enjoy many walks and adventures with. Cooking has always been an activity that I have found great pleasure in, and I'm always keen to try new cuisine, which I hope during my year at Holy Trinity, I will be shown a thing or two about the flavours which are enjoyed locally by many of the congregation.'

Graham's Pastoral Assistant colleague in the Hornsey scheme is Matilda Tempest.

Face Coverings in Church

The government has made the wearing of face coverings mandatory for everyone attending public worship, except those with valid exemptions, those leading worship, and those reading or preaching.

Holy Trinity Food Bank News

We have the food, but not the bags to put food in! For environmental reasons we don't want to buy large plastic bags, so if you have some spare we would be grateful to receive them. Meanwhile we are making cloth ones from spare material. We need large pieces of cotton/linen cloth, 50" X 30" or more. If you are able to help please ring Alice 0207 272 5091.
